YOUR SUCCESSORS

Typically, when most people travel, they make arrangements for their affairs to be taken care of while they're gone. When there are children being left at home, there are usually several lists of instructions left for the babysitter, or whoever is left in charge. Your successors are the "babysitters" you're putting in charge of your affairs while you're incapacitated and after you're gone. Who do you want making decisions for you? This is a vital part of the planning process which most people are ill-equipped to decide on the spot. You do not have to have an answer set in stone. We would prefer, however, that you have several choices to consider choosing from.
